

Permission to Notify Physician

As part of the State of Ohio's Physical Therapy Practice Act, if a physical therapist evaluates and treats a client without the prescription or referral of the client by a person who is licensed to practice medicine or other licensed/certified health practitioner as described in the law, the physical therapist, upon consent of the client shall notify the physician/practitioner of the evaluation and treatment no later than five business days after the evaluation is made. Please check one of the boxes below to identify your desire as to whether or not you want your physician notified.

- I give permission to the Physical Therapist to notify my physician of my evaluation and treatment at Yanok PT. The physical therapist will inform my physician of my identified problems, goals, plan of care and progress.
- I do not give permission to the Physical Therapist to notify my physician of my evaluation and treatment at Yanok PT.
